5th Circ. Revives Enviros' \$641M Exxon Pollution Suit

Akin
Gump

Exxon Mobil Corp. will have to face a \$641 million suit brought by environmentalists over emissions at its Baytown, Texas, refinery, the Fifth Circuit said Friday in an opinion that panned portions of the trial court's ruling in Exxon's favor as "irreconcilably inconsistent."

Feds Give Thumbs-Up To Pacific Offshore Fracking

Axinn
Veltrop

U.S. offshore regulators on Friday revived permitting hydraulic fracturing and other drilling activities in the Pacific Ocean after concluding those activities won't significantly impact the environment, a move blasted by environmentalists who vowed to take the government to court.

Pa. DEP Boss's Exit Could Pave Way For Gas Rule Changes

Alexand
Dubose

A path toward amending controversial new rules on gas drilling may be clearing after Pennsylvania's top environmental official, who's faced criticism for his unwillingness to compromise on the regulations, suddenly resigned this month following the release of a profanity-laced email he sent urging advocacy groups to back his agenda.

5 Tips For Energy Cos. Looking To Tap Into Mexico

While landmark reforms opening up Mexico's energy sector have largely been implemented, energy companies looking to dive into the country's market must be mindful of still uncharted territory, from continually developing regulations to more complicated land use policies. Here, attorneys offer five pieces of advice for energy firms looking to make their mark in Mexico.

Saudi Court Calls Clifford Chance License Into Question

Clifford Chance LLP could be forced to reapply for its license to practice in Saudi Arabia after an advisory appellate court decision suggested that foreign- and Saudi-owned companies should obtain two licenses rather than one to practice in the kingdom, according to a news report.

Akin Gump Closing Austin Office As IP Partners Depart

Akin Gump Strauss Hauer & Feld LLP will soon be shuttering its small, intellectual property-focused Austin, Texas, office, as two of its leading partners there have announced they will be leaving the firm.

Shearman & Sterling Joins UK Salary Race By Upping Atty Pay

Shearman & Sterling LLP has joined what appears to be a salary race in the London legal market by firms looking to woo talent, telling Law360 on Friday that it has bumped up pay for associates by between 7 and 10 percent.

The Revolving Door: 6 Tips For Prosecutors Switching Sides

The lure of a well-compensated gig in private practice has for years coaxed many a government lawyer to make the move through the revolving door to the defense side, but former prosecutors say departing public attorneys should be prepared to roll up their sleeves and embrace a different frame of mind.

4 Hot Practice Areas Where Texas Firms Are Hiring

Transactional partners are the belles of the ball these days among Texas recruiters and headhunters. If you're contemplating making the move to a new firm, take a look at the four practice areas that are especially sizzling in the Lone Star State right now.

GC Cheat Sheet: The Hottest Corporate News Of The Week

More than half of companies say a negligent or malicious employee has caused a security incident, the U.S. Supreme Court resolves a circuit split on constructive discharge, and the Senate condemns the new definition of an Employee Retirement Income Security Act fiduciary. Those stories top the news you may have missed this past week.

Money Laundering Inspectors Turn Up Heat On UK Law Firms

The U.K. legal sector is under scrutiny over its ability to protect itself from money laundering and terrorist financing risks, according to a new HM Treasury report, reflecting a growing national anti-corruption agenda in the wake of the Panama Papers scandal.
